

Miguel A. Meléndez Hernández

Barranquitas, Puerto Rico | 787-639-5893 | melendezmiguel13@gmail.com | [Portfolio](#) | [GitHub](#) | [LinkedIn](#)

Professional Summary

- I am a junior software developer with a background in computer science and basic experience in web technologies. While my focus is development, I also have technical skills to apply in support roles such as the Service Desk. I feel comfortable solving problems, assisting users, and working with tools like Visual Studio, GitHub, Outlook, and Teams. I am eager to keep learning and growing in the field of IT.

Skills

- **Tools** - GitHub, VS Code, Visual Studio, Eclipse, Android Studio (basic), Microsoft Office
- **Front-End** - HTML5, CSS, Bootstrap, ASP.NET
- **Programming Languages** - C#, Python, JavaScript, Visual Basic
- **Databases** - MySQL, SQL Server

Experience

- **IsiNet Puerto Rico**
 - Supported the development and design of responsive web pages using HTML, CSS, and JavaScript
- **Argos Puerto Rico**
 - Maintained communication with drivers and clients to ensure efficient delivery operations.
 - Coordinated the dispatch of delivery orders to drivers for island-wide distribution across Puerto Rico
